How to Apply?

Scholarships cannot be provided to each and every candidate who aspires as the number of seats is limited. So there is a definite process of short listing the most eligible applicants. We tend to publish the selected and shortlisted names hereafter the stipulated time.

Online Applications are now open and [available here](#). We accept the applications from the interested aspirants and the final short listing will be based on the below criteria.

Scholarship applications cannot be done using the postal or offline process since there is a dedicated Online Application Process designed for transparency.

Short listing is based on a lot of parameters that pose the candidate to be eligible for financial support. The main aspects of selection will be academic excellence and financial status.
